

In light of the institution's recent cancellation of all face-to-face classes due to the spread of COVID19, there are a few things that you should be aware of as we work through this period with the hopes of moving back to the residential, educational experience as you know it soon. Students are encouraged to visit the [COVID19 Q&A](#) web page often for updates and other important information.

Academics

1. All on-campus classes will be transitioned to online and accessible beginning **Thursday, March 19th**.
2. The **last day to withdraw** has been extended until **Monday, March 23rd**. Students should work with their advisors and the Office of Academic Records (x. 5530).
3. Advising for the upcoming Fall 2020 registration period will continue as scheduled. Students should connect with their academic advisor for more information.
4. To access online classes, students should log in to Canvas via **View Canvas Courses** on the [Student tab in mySWU](#) or at swu.instructure.com (SWU login credentials required).
5. Ongoing academic support will be provided through the [Student Success Center](#) (x. 5082), [TRiO](#) (x. 5126), [Library](#) (x. 5060), [Academic Success & Community Engagement for Athletes](#) (x. 5043), PASS, and more for students seeking support in their studies and navigating Canvas. Support resources are also provided within Canvas (under Resources; bottom, left navigation) for students who have questions about Canvas or Turnitin, as well as access to the online chaplain, tech support, library, and career services.
6. Students should immediately connect with faculty if they encounter issues with their studies. Doing this will allow the instructor to work out a plan with the student to ensure their continued success in the course.
7. A chat feature has been added to the Student tab in mySWU for on-campus students who have questions or issues regarding the move of face-to-face classes online.
