

Share Your Screen

Share your screen

In Microsoft Teams, you can show your desktop, a specific app, presentation, or any file while in a meeting.

<p>1. From within a Teams meeting, select Share  .</p>	
<p>2. Select what you want to share:</p> <ul style="list-style-type: none">• Desktop lets you show everything on your screen.• Window lets you show a specific app.• Chrome Tab lets you show open web pages• PowerPoint lets you show a presentation.• Browse lets you find the file you want to show <p>Whiteboard lets you draw, plan, and collaborate</p>	
<p>3. After you select what you want to show, a dialog box displays at the bottom of the screen to show what you are sharing.</p>	
<p>4. Select Stop sharing to stop showing your screen.</p>
